AIGA CLEVELAND PRESENTS
2009 ART OF ORNAMENT

This holiday season, AIGA Cleveland is continuing to support local charities through the Art of Ornament. Join us in participating in our 2nd annual ornament silent auction, proceeds to benefit the Greater Cleveland Habitat for Humanity.

This is a call to create. Adorn an object. Create something new. Explore function and form.

Handmade, holiday ornaments are accepted, but entries do not have to fall into the traditional holiday ornament category, all we ask is the piece be equipped to hang from a display. Get creative, and explore the Art of Ornament.

It is free to submit entries to donate to our cause. Deadline to enter is November 27.

The AIGA Cleveland 2009 Art of Ornament Silent Auction will held at TWIST Creative on December 4.
